Final Note by the First Member of Council

Subject:—

Proposals for raising the subscription of the Mysore Gazette etc.,

The Superintendent, Government Press having complained that he was getting more work than he was able to cope with, a committee consisting of the marginally noted officers was appointe to examine the question of affording relief to the Government Press and also to consider how expenditure of stationery could be reduced.

1. The Chief Secretary to Government.
2. The Superintendent, Government Press.
3. The Under Secretary, E.A.Branch.

Among other suggestions the Committee has proposed (1) to reduce the matter appearing every week in the Gazette by publishing certain parts alone every week and the remaining parts, only once a fortnight except in regard to urgent matter (2) to use some what inferior paper for printing the Gazette (3) to increase the rate of subscription of the English edition from Rs.3-8-0 to Rs.12 and of the Kannada edition to Rs.6 (4) to withdraw all concessions shown to R.A.Members, shanbhogues, Patels, Nad patels and Shekdars within the State in the matter of the supply of copies of the Gazette at half rates.

3. All the members of Councillars agreeable to the proposals regarding the reduction of matter and the use of inferior paper.

4. As regards the other suggestions the Second Member has proposed that the subscription of the English edition might be fixed at Rs.7 and of the Kannada edition at Rs.5 and he is also in favour of continueing the present concession in the case of R.A.Members.

5. But the Extra Ordinary Member and myself are of opinion that the subscription of the English edition may be raised to Rs.8 and of the Kannada edition to Rs.6, and that the concessions may be withdrawn in toto.

6. The views of the majority may be approved.

Bangalore 30th M A Y *1918*

My dear Mr. Lakshmana Row,

In reply to your letter of the 28th instant, may I inform you that the amount realised in 1916-17 by the sale of Gazettes at

	Rs.	a.	p.
Full rates of subscription	829	15	0
Concession half-rates is	1045	1	0
By Advertisement charges is	1573	15	0
Rs	3448	15	0

The total number of subscribers within the State for the Gazette who paid full rates at Rs. 3-8-0 per annum was - 252 and the amount of subscription realised from these subcribers was Rs. 829-15-0.

The total cost of printing the Gazette for one year inclusive of paper is Rs. 32,972-9-4 against the realisations of Rs. 3448-15-0 which is nearly 10 times as much.

I may add for information that if one set of Gazette copies collected during the year are sold as waste paper, the

sale

sale proceeds will be about Rs. 12/-. so that a subscribor at half-rate who pays Rs. 1-14-0 would make a profit of about Rs. 10/- if he collects the Gazette copies and sells them. besides having the benefit of reading the Gazette.

Yours sincerely,

24) There being no statutory obligation on the part of the local bodies to publish their proceedings in meetings in the Gazette, there can be no objection to the proposal made in the draft circular. But as a matter of convenience it is necessary that these proceedings should be printed, as copies of proceedings will be required for Submission to Govt. when any resolutions requiring sanction are arrived at. Publication in the Gazette serves also as a sort of record in the Secrett, and facilitates reference to made on important precedents or Govt. without having to apply to the Dists concerned. At present Dist Bds and Mun. Council Mdg. Dist Bd proceedings are being printed. These are not likely to occupy much space in the Gazette and if considered necessary they may be advised to pay for the printing.

25) I agree. Publication of these proceedings serves a useful purpose.

With reference to Government Orders Nos. G.1240-400 P.&S. 1-18-50, 1-18-51 and 1-8-52 issuing revised orders regarding the matter to be published in the Gazette, the offices and subscribers to whom the various parts have to be supplied nd fixing separate prices for each part, I have the honor o state that the following modifications appear to be very necessary and to request that immediate orders may be kindly issued so that they may be given effect to from 1st January 1919.

(1) Concession rates to subscribers entitled to them may be allowed to those who subscribe for the entire copy of the Gazette and not to those who ~~like~~ take it in parts

(2) As each Part of the Gazette is priced separately all private subscribers may be supplied with all parts of the Gazette instead of some parts only as directed in para 2 of Govt. Order No.G.12401-1-18-51 dated 23rd December 1918.

(3) All notices that are sent for publication in the Gazette may be ordered to be printed in only one issue of the Gazette without abstracts thereof being published in the subsequent two issues as spare copies of these notices will be

supplied whenever required.

I beg that the above proposals may be approved and orders passed immediately.

SIR,

In reply to your docket No. G.14001/P.& S.1-18-60 dated 10th instant, I have the honor to state with reference to my suggestion No.3, that elaborate notices such as tender notices, auction sales, etc., are now published in full in one issue of the Gazette, abstracts thereof being published in two subsequent issues. I meant that in future, publication of these abstracts is also unnecessary and may be dispensed with whenever spare copies of the notices are supplied after their first publication. But I beg to state that no orders are now necessary on this point as in para (a) of Government Order No. G. 12340-400/P.& S, 1-18-50 dated 23rd December 1918, Government have already issued instructions to the effect that such notifications need not be published in the Gazette and that spare copies alone may be separately printed and supplied.

In these circumstances, I beg to withdraw my suggestion No.3 made in my letter No.278 dated 24th December 1918.

I have the honor to be,

Sir,

Your most obedient servant,

Chief Secretary to the Government of Mysore,
BANGALORE.

Sir, 56561

With reference to your docket No. 15208 dated the 23rd instant, I have the honor to state that the points relating to the supply of Gazette at concession rates have been elucidated and printed in clear terms in para 5 of the Compiler's notice published on page 2 of the Gazette, a copy of which is herein enclosed for inspection. I beg to state that no separate orders are necessary.

I have the honor to be,

Sir,

Your most obedient servant,

D B Ramachandra Mudaliar

Compiler, Mysore Gazette.

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, No. G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G.-1914-23—G. M. 46-11-36, dated 18th March 1912, the English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, III, V and VI only, as directed in G. O. No. G. 12401—P. & S. 1-18-51, dated 23rd December 1918, will be supplied to the Members of the Representative Assembly during their tenure of office as such Members, Shanbhogs, Patels, Nad Patels and Shekdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time. Those subscribers will please note that the Gazette cannot be had in *separate Parts* at concession rates. Those who pay Rs. 2 per annum will have Parts I, III, V and VI only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

11. The rates of subscription to the Gazette, which are payable *in advance*, are as follow:—
